Protecting God's Children Class

Those that volunteer around the children must take the Protecting God's Children class. *Updated class schedules for the area are posted on our front door.*

Flu Vaccinations

If you are planning to get a flu shot, CPEEC has been advised that individuals should wait until mid to late October, so the effectiveness of the vaccine will last through the flu season.

Firefighters Visit!

The firefighters of St. John's County will be visiting our school on October 14th. They will be discussing fire safety, and showing the children their truck! To thank them for helping our community each class will be collecting goodies to give them when they visit. *Please look for a memo in your child's cubby that states the goodies his/her class will be collecting.*

Halloween Parties

On **Friday, October 30th**, each classroom will be having their Halloween Party. The children will trick or treat through all of the classrooms at 9:15 am. Please have your child at school by 8:45 am dressed in costumes over his/her clothes. Please do not allow your child to bring weapons that may be associated with the costume. Party sign up lists will be posted in the classrooms.

If it is not your child's regular day they are welcome to attend any special event or party with a parent or guardian.
